Graduate Research Partnership Program Award, University of Minnesota, \$5,500 2001

Professional Development Award, University of Minnesota, \$1,850 2001-2005

Minority Scholars Development Grant, University of Minnesota, \$2,500 1996

Research and Training Experience

Research

- Principal Investigator 2001
Research on sports-based youth outreach programs in the Twin Cities area with the assistance of a research grant from the University of Minnesota. Responsible for developing research design of a project that is a systematic examination into the rationale employed by sports-based social intervention and prevention programs. Also responsible for the collection, management, and analyses of interview and observation data of this project.
- Research Associate, Roy Wilkins Center of Human Relations and Social Justice Hubert H. Humphrey Institute, University of Minnesota. 2000-2001
Responsible for research design of policy related projects; data collection of focus group data and data on non-profit organization, data management of these data and data on incarceration, and analysis of both quantitative and qualitative data on antiracism programs and incarceration; policy report preparation; and supervision of graduate research assistants.
- Research Assistant, Sociology Department, University of Minnesota. 1998-2000
Responsible for data collection and data management of projects concerning the 1994 Crime Bill and a local youth crime and violence prevention program, data analysis of textual data from congressional archives and newspaper articles for projects concerning sport, crime, and social outreach; assistance in program development and evaluation of local sports-based programs; writing significant portions of drafts of scientific papers.
- Research Assistant, Sociology Department, University of Minnesota. 1997
Responsible for collection and management of data concerning child well-being and welfare reform laws. Entered official data from government documents into computer database for future analysis.

Training

- Paul Allison's Survival/Event History Analysis Summer Short Course 2005
SAS Advanced Data Programming II Short Course at the University of Minnesota 2005
SAS Advanced Analysis II Short Course at the University of Minnesota 2005

Teaching Experiences

- Graduate Instructor, Sociology Department, University of Minnesota. 2002-4
Soc. 3801: Research Methods (Summer 2002)
Soc. 3102: Introduction to Criminal Behavior and Social Control (Fall 2002, Spring 2003, Fall 2003)
Soc. 3101: Introduction to Criminal Justice (Spring 2004)
Soc. 4108: Current Issues in Crime Control (Summer 2004)
