GENERAL EFFECTIVENESS

Please comment on Uggen's overall effectiveness as your professor in this course:

CONTENT

Would you like me to lecture more on readings? More discussion of hot topics? More theory applications and examples? Whaddayawant?

Would you feel confident ***applying*** the material we have discussed thus far to your own life or work? How will this course change or enrich your life?

POLICIES

Did you think the exam format and grading have been fair? Why or why not?

Do you like to work in groups on exercises? Is there another way you'd like to participate in class?

What sort of format would you like for the final exam?

OTHER COMMENTS:

Please express any other comments/concerns/suggestions you might have (don't hold back).

Is there anything in course lectures or readings that you found personally offensive? Did Uggen deal with this appropriately or inappropriately? Please explain.
